Showgear DJ Player Stand

Steel - 330-480 mm

**SHOW
GEAR**

EAN: 8717748320650

This stand is designed for bigger cd player models but can be used for any table top CD player that fits the plate size 370x320 mm. The base is a heavy 5 mm steel plate that ensures a solid ground. The plate can be angled into your desired position, the arm has 3 rotation points and the in height adjustable pipe can be placed at 3 positions. This solid stand gives you maximum flexibility with a stylish finish.

Special features:

- Heavy duty stand
- Arm with 3 rotating positions
- Upper plate with adjustable angle
- Three stand positions on base plate
