## PROPER DISPOSAL OF THIS PRODUCT (WASTE ELECTRICAL AND ELECTRONIC EQUIPMENT)

(Valid in the European Union and other European countries with waste separation)

This symbol on the product, or the documents accompanying the product, indicates that this appliance may not be treated as household waste. This is to avoid environmental damage or personal injury due to uncontrolled waste disposal. Please dispose of this product separately from other waste and have it recycled to promote sustainable economic activity.

## FEATURES

- Ideal for labelling devices such as mixing consoles, power and signal distributors
- Flexible soft PVC for optimum adaptability to the surface
- Residue-free removal – no adhesive residue
- Easy to tear off by hand – no tools required

## DESCRIPTION

This marking tape has been specially developed for the temporary or permanent labelling of devices such as mixing consoles, power distributors and signal boxes. The flexible soft PVC adapts precisely to a wide variety of surfaces and ensures clean, legible labelling – without leaving any residue when removed. Whether in the studio, on stage or for technical installations, the tape enables quick and clean device labelling and can be torn off quickly and easily by hand.
