

Double ATA Golf Travel Case

Designed to accommodate two standard sets of clubs, or a staff bag along with other travel items, this case is molded from ultra-high molecular weight polyethylene, the material specified by the U.S. military for cases and containers. This case is capable of accepting drivers up to 50" in length and with a width of 20".

Features

- capable of accepting drivers up to 50" in length and with a width of 20"
- patented industrial strength latches for superior valance closure and overall latched security
- TSA Locking System for ease of airline travel
- SKB's exclusive Perfect-Match valance bending system

Specification	Imperial	Metric
