The Wentex Deko Molton 160 g/m² Roll is a high-quality woven 100% cotton fabric with a soft, double-sided brushed texture and a matte finish. Thanks to the fabric being brushed on both sides, it offers excellent light absorption from every angle, making it ideal for professional theatre, event, stage and studio environments. This versatile fabric is easy to work with and can be cut, torn, sewn, stapled or clamped without difficulty. Thanks to its opaque structure and natural look, it is well suited for hanging, decoration, backdrops, shielding and product presentations.

The fabric is flame-retardant according to DIN 4102 B1 / EN 13501, making it suitable for professional use in public and event spaces. Available in black or white.

Special features:

- 160 g/m² woven 100% cotton molton
- Double-sided brushed texture
- Matte, non-reflective finish
- Flame-retardant according to DIN 4102 B1
