Wentex Deko Molton ECO 140 g/m² Roll Black, 30m

Black - 1.3 x 30 m (W x L)

EAN: 8717748628022

The Deko Molton ECO 140 g/m² Roll is a woven fabric made from 100% cotton, featuring a soft, single-sided brushed texture and a matte finish. The brushed side provides excellent light absorption, while the unbrushed side offers a smoother surface, making this ECO version a practical and cost-effective choice for a wide range of applications. The fabric is well suited for stage finishing, decoration, backdrops, temporary partitions and stand construction.

The molton is easy to handle and process, and can be cut, sewn, stapled or clamped with ease. It is flame-retardant according to DIN 4102 B1 / EN 13501, making it suitable for professional use in public and event spaces. Available in black or white and in different lengths.
