**Wentex Stage Skirt MCS 300 g/m²
0,2m**

creative textile solutions

*Black - 620 x 20 cm (W x H) -
pleated*

EAN: 8717748622877

This black, pleated stage skirt can be used to hide whatever an audience shouldn't see and gives any stage a neat and tidy look. It's made from Molton CS, which is the standard for stage fabrics. It has a weight of 300 g/m² and a matt finish. Due to its higher density, it blocks light well. Molton CS curtains are washable and flame-retardant according to EN 13501-1. They are made from 100 % PES FR.

Special features:

- Flame retardant
- Washable
- Heavy fabric
- Absorbs most of the light
